

How to enjoy the Church Inn during the COVID pandemic

We want to create a safe environment for all our customers and staff, so there are a few rules we would like you to follow.

- We would like you to book before you come and visit us, the easiest way to do this is via our website - www.robinsonsbrewery.com/churchinn you can also do this by phone from the 6th of July.
- When booking please let us know in the notes of the booking if you are coming in for a few drinks or for a meal, how long you are planning on staying for and where you would ideally like to sit. We will do our utmost to adhere to your request, but we can not guarantee them.
- When you arrive at the Church Inn, please enter via the beer garden and leave via the front door, this is to limit the amount of people you cross paths with.
- Please wait for a staff member to seat you at your table, all food and drinks will be served to your table. There will be no standing at the bar or bar service. All you need to do is sit back and relax.
- Please make sure you use the hand sanitizer stations that are located at the entrances and exits of the building and different rooms i.e. The main bar area, restaurant, snug and toilets
- Please don't move any of the tables or seating, they have been placed where they are to make the area as safe as possible.
- We have reduced our menus and drinks range slightly to make it saver for our staff and to reduce waiting times.

We want you to feel as safe as possible and enjoy your time with us. Please speak to a member of staff if you feel like we can do more to make your visit safer/more enjoyable.

We are going to continue to offer our food on a takeaway basis and by popular demand keep the Coffee shop open in our garden from 7.30am every morning.

Many Thanks Ed and the Church inn team.
