## Food Allergies and Intolerances

Before ordering drinks or food, please speak with a member of our staff about your requirements. Whilst we take care to preserve the integrity of our vegetarian (v) products, we must advise that these products are handled in a multi-ingredient kitchen environment. Some fish may contain small bones. All dishes are prepared in areas where allergens are present. Therefore, there is a risk that ingredients used in your meal may have accidentally come into contact with an undeclared allergen, leading to cross contamination. Cooking equipment (e.g. fryers, grills etc.) and food preparation areas may be shared and fried items containing different allergens may be cooked in the same frying oil. Please ask a team member if you would like further information.
